

Timber Pallets

Guaranteed quality, reliability and longevity

Tumu Timbers are one of NZ's largest suppliers of Timber Pallets.

The industries we currently supply include:

- Apple
- Carrots
- Kiwifruit
- Meat processors
- Pallet Pooling
- Squash
- Asparagus
- Construction
- Light /Heavy Industrial
- Onion
- Pelt/Hide
- Wine
- Avocado
- Honey
- Packaging
- Potatoes

We recognise the importance of producing high quality pallets to meet the needs of our customers.

We manufacture a wide range of pallets for both the domestic and export markets. We can supply you with industry standard pallets or can custom design a pallet for your specific requirements. We are licensed to use Pallet Design System (PDS), to ensure that your specific load bearing requirements are taken into consideration prior to manufacture.

Standard Pallet Product Range

Apple Export Pallet
1160 x 1000 x 155mm

Kiwifruit Export Pallet
1206 x 1006 x 155mm

Storage Pallet
1075 x 1075 x 140mm

Four Hive Field Tanalised Pallet
920 x 920 x 143mm

Painted Pallet
1200 x 1000 x 150mm

Industrial Export Pallet
1100 x 1040 x 95mm

Lightweight Export Pallet
1440 x 1200 x 140mm

Air Freight Export Pallet
1200 x 1000 x 90mm

Clipped Corner Pallet
1100 x 1040 x 140mm

Nothing is too difficult for our innovative team so if you have a specific requirement, please contact us for a quote.

Timber Pallets

Feature	Advantage	Benefit
Digitally graded timber pallet components	Consistently accurate timber grading.	Greater pallet board strength, quality and longevity.
	High level of grade flexibility.	Superior health and safety achieved due to structural integrity of the pallet.
State of the art cutting capability	Precision, high speed cutting to exacting tolerances.	Enables highest quality assembly with precision componentry.
Automated assembly and nailing	Consistent nail depth and placement.	Smooth top surface.
	Increased nail retention strength.	Ability to handle repeated forklift movements.
ISO 9001 Accredited manufacturing processes	Quality management systems control of all aspects of the manufacturing process.	Assurance that products will meet or exceed specification.
Pallets designed using PDS programme	Pallets engineered for specific load bearing requirements.	Pallets made to fit customers intended purpose.

Our preference is to source our timber from responsible (FSC® registered) forests and sawmills.

Nothing is too difficult for our innovative team so if you have a specific requirement, please contact us for a quote.
